Read the text. Then choose the correct answer for each question below, according to the text (1-4).

The first flags were probably used in China. People flew flags in China over 4,000 years ago. Each part of the army had its own flag so the soldiers could see their leaders. Early flags were sticks of wood. They had pictures cut into the wood. Iran had metal flags about 3,000 years ago. Old Greek coins show pictures of flags.

People in Rome also used flags over 2,000 years ago. People first made flags of cloth about 2,000 years ago. Those flags looked like today's flags. Flags are important at sea. Most ships fly their own country's flag and the flag of the country they are visiting. When a ship flies only its own flag, it is ready to fight. Every country now has a flag. Every U.S. state has a flag. Clubs, teams, and schools have flags. The Olympics has a flag. The Olympics flag has five rings of five colours on a white field. Each ring represents a continent. It means that people from five continents – Africa, Asia, Europe, America, and Australia – come to play.
